## **Assurant Foundation Contributes Financial Support for Philippines Disaster Relief**

**NEW YORK, Nov. 14, 2013** - The Assurant Foundation, the philanthropic arm of Assurant, Inc., announced today that it will donate \$50,000 to the American Red Cross to support their disaster relief efforts to help those affected by Typhoon Haiyan in the Philippines. The Assurant Foundation also will match funds raised by employees at office-based events in support of Philippine charitable relief efforts.

"In keeping with our long-standing value and commitment to community outreach, Assurant and our employees are joining the global call to action to help victims in the Philippines," said Robert B. Pollock, president and chief executive officer of Assurant. "We hope these funds help families and communities affected recover and rebuild in the wake of Typhoon Haiyan."

For more than three decades, the Assurant Foundation has provided financial assistance to charitable organizations assisting with disaster recovery. In recent years, through support of the American Red Cross, contributions have helped those affected by natural disasters including Superstorm Sandy, victims of earthquakes and tsunamis in Haiti, Chile, Japan and Indian Ocean, as well as communities hit by extreme storms and tornadoes throughout the U.S.
