## Digital Wireless Carrier Visible Partners with Assurant To Launch Visible Protect - A First in Prepaid Wireless Device Protection

*All-Digital Program Bundles Protection with On-Device Diagnostics*

ATLANTA, Jan. 31, 2019 -- [Visible](#), the digital prepaid unlimited\* talk, text, data, and mobile hotspot phone carrier backed by Verizon, has partnered with [Assurant](#) (NYSE: AIZ) to introduce the Visible Protect program. Visible Protect is the first all-digital prepaid offering that provides device protection with on-device diagnostics and support.

"Visible was built on the foundation of simplicity and convenience. With every new offering, we're getting closer to our goal of revamping the consumer journey in telecom, and to re-defining the category from end to end. Thanks to our partners at Assurant, we are also able to offer our members the kind of comprehensive device protection that gives them an extra level of comfort," said Visible CEO Miguel Quiroga.

Visible Protect includes coverage for accidental damage, loss, theft, and out-of-warranty mechanical breakdown. Customers have options to quickly get their damaged devices back up and running and also get on-device diagnostics and support through Pocket Geek by Assurant.

"Visible Protect enables consumers to get the most out of their mobile devices and quickly become reconnected when life happens," said Jeff Unterreiner, president, U.S. Connected Living at Assurant. "Participants have peace of mind knowing Visible Protect delivers best-in-class service and support that will keep them protected and connected."
