## **Assurant Employees Receive Notification From SEC Regarding Ongoing Investigation of Certain Loss Mitigation Insurance Products**

New York – July 5, 2007 – Assurant, Inc. ("Assurant") (NYSE: AIZ), announced today that the company has learned that Michael Steinman, senior vice president and chief actuary, Assurant Solutions / Assurant Specialty Property and Dan Folse, vice president-risk management, Assurant Solutions / Assurant Specialty Property, have each received a "Wells notice" from the staff of the Division of Enforcement of the U.S. Securities and Exchange Commission (the "SEC") in connection with its ongoing investigation of certain loss mitigation insurance products. The Wells notices indicate that the SEC staff is considering recommending that the SEC bring a civil enforcement action against these individuals for violating various provisions of the federal securities laws. Under the SEC's procedures, recipients of a Wells notice have the opportunity to respond to the SEC staff before the staff makes its formal recommendation to the Commission on whether any civil enforcement action should be brought by the SEC. As previously disclosed, the company continues to cooperate with the SEC in its investigation.
