# The Mechanic<sup>®</sup>

## Vehicle Service Contract

Your car is a big part of your life. If it doesn't work, other parts of your life can come to a halt, too.

The Mechanic Vehicle Service Contract takes the worry out of keeping your car working.

## Drive on a road without roadblocks.

**As your car gets older, it becomes more vulnerable to breaking down — often after the factory warranty expires.**

Each year, more sophisticated technology is built into our cars from collision-avoidance technology to advanced keyless entry and remote starting systems.

These advances make driving easier and safer. They also make cars more complex and costly to repair. And, once your factory warranty ends, you could end up paying a lot for mechanical repairs out of your own pocket.

You can help manage these unexpected costs and stresses with The Mechanic. It covers repairs beyond your factory warranty. And it has a range of protection levels to fit your needs, driving habits and budget. It even includes additional benefits such as **rental car and emergency travel expense reimbursement** so you can keep your life moving forward worry-free.

# The Mechanic<sup>®</sup>

Vehicle Service Contract

## The Mechanic covers your car beyond your factory warranty.

The factory warranty only covers the first few years of your car's life.

But it's when your car is older that it's more vulnerable to a breakdown, and more expensive to repair.

The Mechanic can cover repairs beyond your original factory warranty on vehicles up to 15 years old and 200,000 miles in all 50 states and Canada, with no yearly limit on repairs subject to service contract maximum limit of liability.

Basic  
Factory  
Warranty

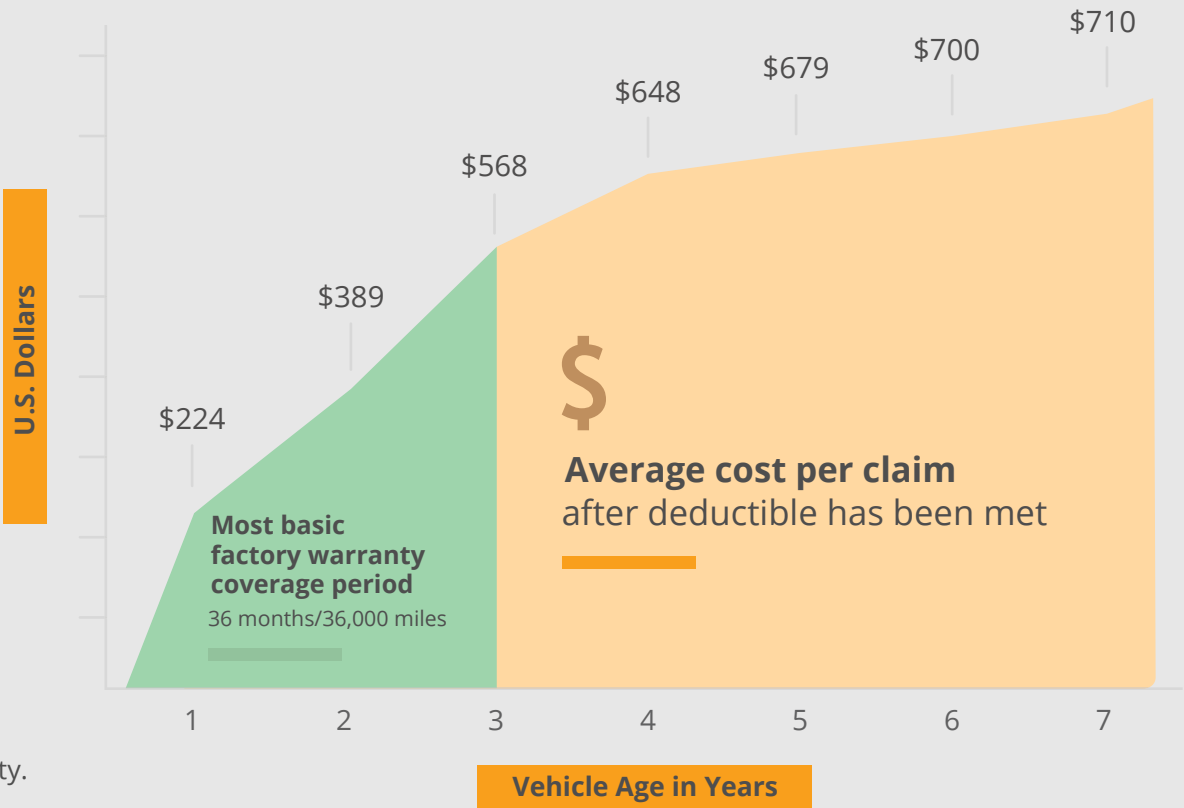

UNPROTECTED AREA

## Cost of Ownership

As a vehicle gets older, repair costs typically increase along with the likelihood of a breakdown.

And some repairs may not be covered by your factory warranty.

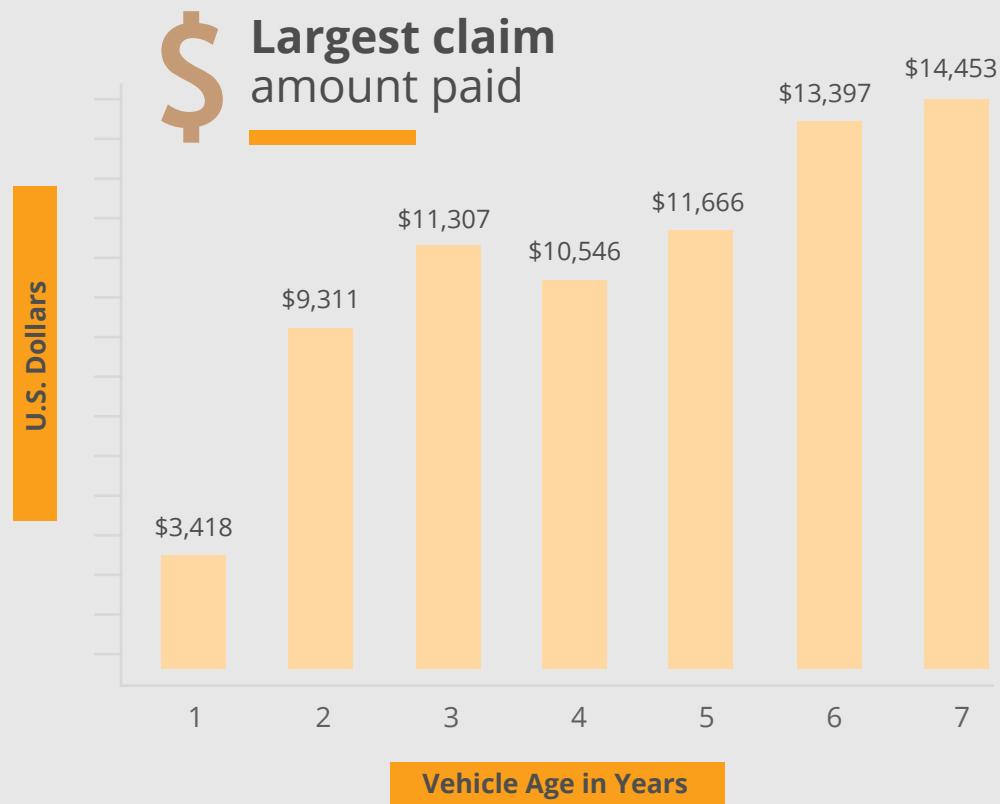

This data is based on the repair records of Assurant, Inc. and its affiliated companies' customers as of December 2020. Your experience may be different. The information shown is based on the original compilation date and not the date of this brochure.

## Cost of Repair

Average repair costs increase with vehicle age. In fact, our highest paid claims were more than \$10,000.

Would you be prepared to pay that repair bill out of pocket?

This data is based on the repair records of Assurant, Inc. and its affiliated companies' customers as of December 2020. Your experience may be different. The information shown is based on the original compilation date and not the date of this brochure.

Vehicle Service Contract

## The Mechanic helps keep you from paying a lot for covered mechanical repairs out of your own pocket.

As technology evolves, our vehicles become more complex and the cost of repairs goes up. That's why The Mechanic is such an important part of your new or used vehicle investment.

Click on the image to see example repair costs:<sup>1</sup>

<sup>1</sup>The repair costs shown above are for illustrative purposes only. The actual cost may vary by vehicle, year, make and model. Data was compiled using manufacturer-suggested retail pricing and labor requirements for the specified components as recorded by a nationally recognized labor time publication for a representative sample of 2020 Asian-, domestic- and European-manufactured vehicles.

<sup>2</sup>Cost does not include contract deductible. Deductibles may vary. Please review The Mechanic Vehicle Service Contract for complete details.

Gasoline Engine

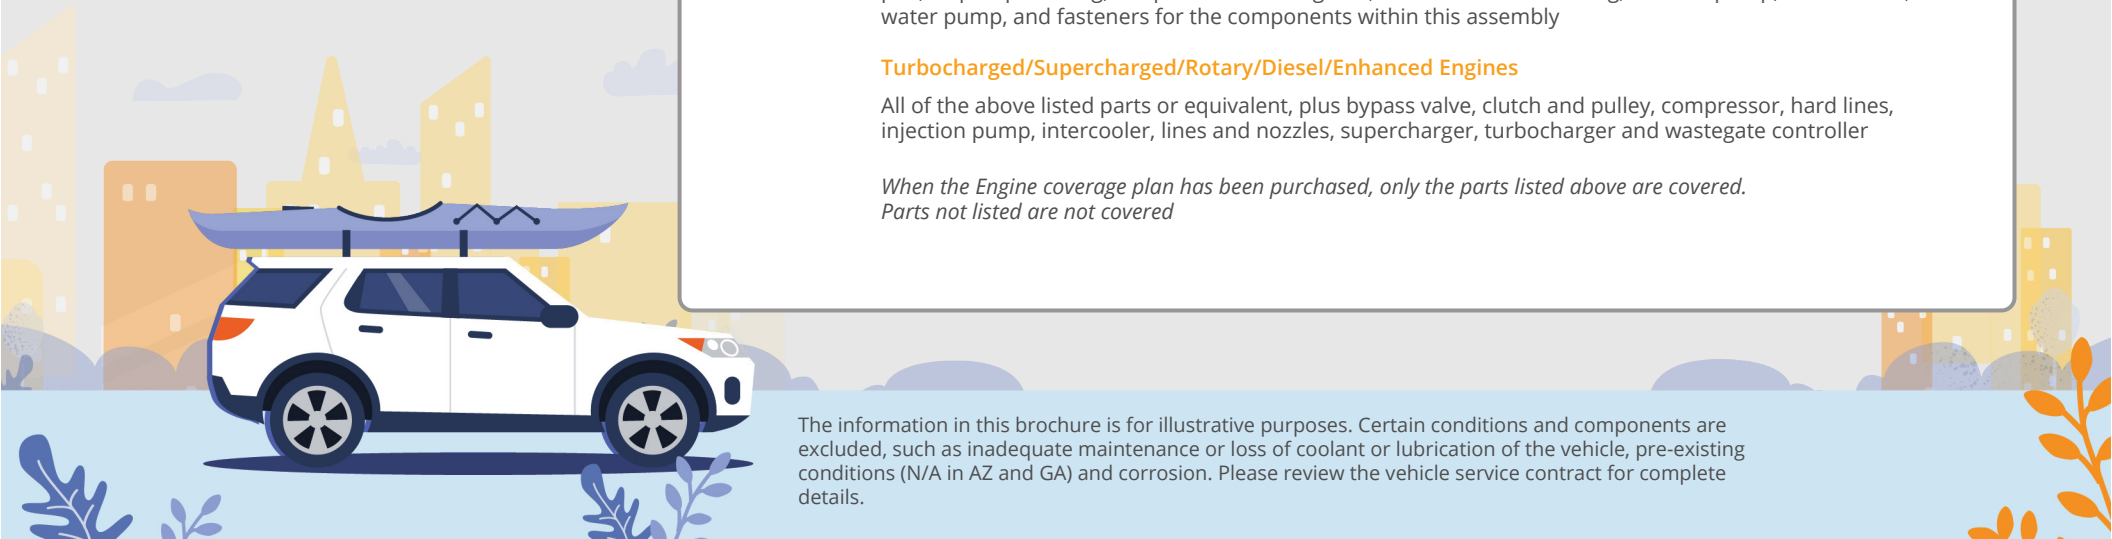

All internal lubricated parts, including, but not limited to: balance shafts, cam bearings, cam tower, camshaft, connecting rods, crankshaft, cylinder block, cylinder head, harmonic balancer and retainer bolt, lifters, oil filter adapter/housing, oil pump and pressure relief valve, piston rings, pistons, pushrods, rocker arms (cam followers), rod and main bearings, timing belt and pulleys, timing belt tensioner, timing chain housing (cover), timing chain and sprockets, valve springs, valves and guides, and wrist pins. Crankshaft pulley, dipstick and tube, engine mounts, engine oil cooler hoses, engine oil sending unit, expansion (freeze) plugs, flywheel, fuel supply pump, intake and exhaust manifolds, oil pan, oil pump housing, temperature sending unit, thermostat and housing, vacuum pump, valve covers, water pump, and fasteners for the components within this assembly

Turbocharged/Supercharged/Rotary/Diesel/Enhanced Engines

All of the above listed parts or equivalent, plus bypass valve, clutch and pulley, compressor, hard lines, injection pump, intercooler, lines and nozzles, supercharger, turbocharger and wastegate controller

When the Engine coverage plan has been purchased, only the parts listed above are covered.  
Parts not listed are not covered

The information in this brochure is for illustrative purposes. Certain conditions and components are excluded, such as inadequate maintenance or loss of coolant or lubrication of the vehicle, pre-existing conditions (N/A in AZ and GA) and corrosion. Please review the vehicle service contract for complete details.

# The Mechanic®

Vehicle Service Contract

## Where You're Covered

Coverage is effective anywhere within the continental U.S., Alaska, Hawaii and Canada. You're covered even if you're traveling or you move to a different city.

## You're Covered

When a repair can't be made by your selling dealer, the program administrator can use its national corporate credit card to make an immediate payment to the repair facility for a covered repair.

## Maximum Benefits

There's no yearly limit on the number of claims that can be made, subject to service contract maximums.

## Reasonable and Convenient

This economical coverage can be included in your monthly loan or lease payment.

## Optional Coverages

You have a wide choice of protection to best suit your driving needs:

- Commercial Use
- Rideshare
- Lift Kit
- Mobility Equipment
- Snow Plow

## Transferable Coverage

All coverage plans are fully transferable if the remaining portion of the original manufacturer warranty has not been reduced or voided. A transfer fee will apply.

## Self-Service Claim Portal

Visit our user-friendly website for all your The Mechanic Vehicle Service Contract needs: [mrclaims.net](https://mrclaims.net)

You can have instant access to your Terms and Conditions, locate a preferred repair facility, initiate a claim, track claim status or just email questions to our experienced customer service representatives.

## Maintenance Requirements

You're required to perform maintenance services to your vehicle as outlined within the Owners Manual for your vehicle. You're required to retain copies of all maintenance receipts during the term of The Mechanic Vehicle Service Contract.

Exclusions and limitations apply. See The Mechanic Vehicle Service Contract for complete details.

## Rental Reimbursement

- Pays for a replacement vehicle while your vehicle is held for a covered repair, including same-day repairs
- Up to \$35 benefit per day for a maximum of 10 days
- Benefits begin on the first day of the covered repair

## Emergency Travel Expense Reimbursement<sup>3</sup>

- Pays for emergency lodging, meals and transportation expenses while your vehicle is held overnight for covered repairs
- Up to \$200 per day for a maximum of 5 days
- Breakdown must occur 100 miles or more from your home

<sup>3</sup>N/A in NY

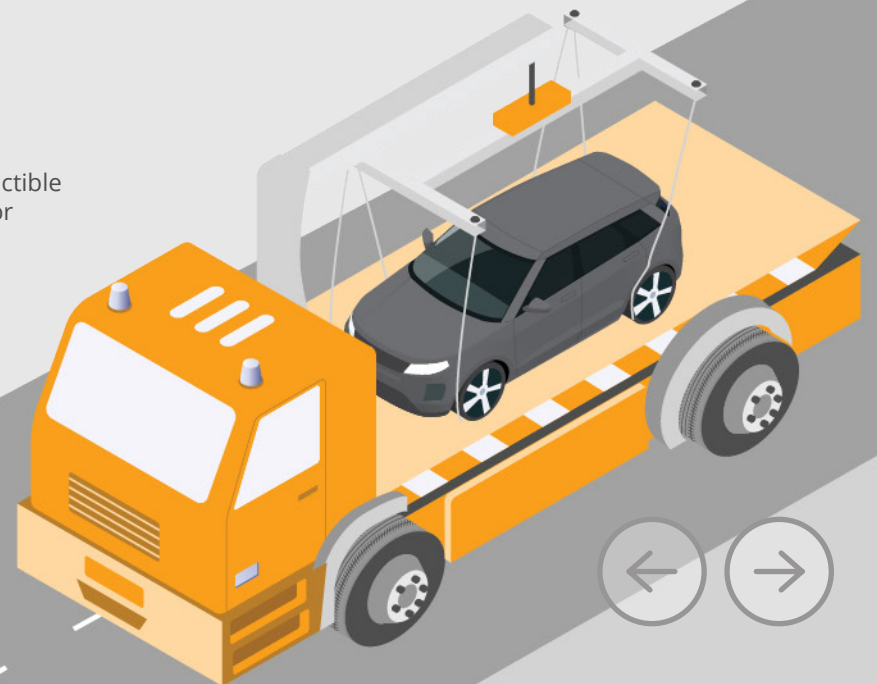

## Manufacturer's Deductible Reimbursement

Reimburses the difference between your deductible and any required manufacturer's deductible for covered repairs

## Emergency Roadside Assistance

- Benefits begin at signing
- Available 24/7
- No out-of-pocket expense up to a \$100 maximum per occurrence for covered emergencies
  - Towing assistance
  - Extrication assistance<sup>4</sup>
  - Flat tire assistance
  - Fuel, oil, fluid and water delivery service
  - Lock-out assistance
  - Battery assistance

<sup>4</sup>N/A in CA

### Sample Items Not Covered

The maintenance services and parts described in the manufacturer’s maintenance schedule for your vehicle; other normal maintenance services and parts including air conditioning refrigerant, all batteries (including, but not limited to, hybrid/electric vehicle batteries), all hoses and belts (not specifically listed), brake pads and shoes, brake rotors and drums, engine coolant, engine tune-up (includes distributor cap, ignition wires, glow plugs, rotor and spark plugs), filters, lubricants or fluids, wiper blades, and suspension alignment

### Parts Not Covered

Body panels, body part alignment, bright metal, bumpers, catalytic converter, convertible top framework, door handles, door panels, exhaust system, electronic controlled clutch assembly, flexible body parts, friction clutch disc and pressure plate and clutch release bearing, glass, glass framework and fastening adhesives, hinges, lenses, light bulbs, moldings, paint, sealed beam head lamps, sheet metal, stripped threads and fasteners, structural framework, structural welds, tires and wheel balancing, trim, upholstery, vinyl and convertible tops and nonmechanical removable hardtop assemblies, weather stripping, wheel covers, wheel rims, wheels and mobility equipment unless you purchased the mobility equipment optional coverage

GA07923-0321

### Limitations of Coverage

The information in this brochure is for illustrative purposes. Certain conditions and components are excluded, such as inadequate maintenance or loss of coolant or lubrication of the vehicle, pre-existing conditions (N/A in AZ and GA), corrosion and parts designed for limited life such as bulbs, filters and brake pads. Please review The Mechanic Vehicle Service Contract for complete details.
